

Get to know WTIA

Our Mission

We are 1,000 technology companies working together to build a strong technology sector in a thriving community.

As a WTIA member, you're already part of a community that's improving Washington's tech industry. Your membership also grants you access to these WTIA initiatives, connections, and benefits.

Access to WTIA Programs & Services

As a WTIA member you have preferred access to our programs and services such as our DEI Office, Apprenti, and more.

Contact Koki to get more information: ksato@watech.org

View the WTIA events calendar at: washingtontechnology.org/events-calendar

Apprenti

Apprenti offers a new approach to filling the talent gap through the time-tested model of registered apprenticeship. Using our proprietary screening process, we've created a quicker path to diverse, qualified, and certified tech talent.
