

Another way to access care for \$0*

For non-emergent care, same-day care.

Your employees and their covered family members of all ages can connect with a licensed care provider through 24/7 Virtual Visits. Care is available around the clock, every day and medications, if needed may be prescribed.**

24/7 Virtual Visits providers can diagnose and treat common conditions, such as:

- Flu
- Fever
- Migraines
- Sinus infections
- Pink Eye
- Headaches
- Sore throat
- Bronchitis
- Allergies

Additional access

Your employees can connect to a doctor by video or phone*** through myuhc.com® or the UnitedHealthcare® app

*The Designated Virtual Visit Provider's reduced rate for a 24/7 Virtual Visit is subject to change.

**Certain prescriptions may not be available, and other restrictions may apply.

***Data rates may apply.

Access to care for common medical conditions

24/7 Virtual Visit experience

Meet Tessa, a working mom with young children.*

Tessa is getting ready for work when she notices her son has a rash

She schedules a 24/7 Virtual Visit through myuhc.com and sees a virtual provider within 15 minutes

The provider diagnoses her son with contact dermatitis and sends a prescription to a local pharmacy

Tessa picks up the prescription on her way to daycare and then heads to work

¹ Average allowed amounts charged by UnitedHealthcare Network Providers and not tied to a specific condition or treatment. Actual payments may vary depending upon benefit coverage. The information and estimates provided are for general information and illustrative purpose only. 24/7 Virtual Visits are not included with UnitedHealthcare's Preventive Plan.

Not all medical conditions can be treated through virtual care. The Designated Virtual Network Provider will identify any condition for which treatment by in-person Physician contact is needed. Benefits do not include email, or fax and standard telephone calls, or for services that occur within medical facilities (CMS defined originating facilities).

The UnitedHealthcare® app is available for download for iPhone® or Android®. iPhone is a registered trademark of Apple, Inc. Android is a registered trademark of Google LLC.

24/7 Virtual Visits is a service available with a Designated Virtual Network Provider via video, or audio-only where permitted under state law. Unless otherwise required, benefits are available only when services are delivered through a Designated Virtual Network Provider. 24/7 Virtual Visits are not intended to address emergency or life-threatening medical conditions and should not be used in those circumstances. Services may not be available at all times, or in all locations, or for all members. Check your benefit plan to determine if these services are available.
